- Vote for Rio PTO to purchase leftover items (soda, water, juice, prizes, etc.) from our Harvest Festival
  - Voted to keep everything for our Harvest Festival volunteer giveback

**\*Harvest Festival**

- Harvest Festival went well! We received many compliments and everyone seemed to have fun!
- Jamba Juice & Cotton Candy want to work with us again
- It was suggested that next year we should have a meeting with volunteers prior to Harvest Festival.
- Offer incentives to get more volunteers next year?
- Next year we should have wristbands for volunteers
- Would prefer to have our staging area closer to blacktop. The art lab was a little inconvenient.
- John Lawson thanked us for inviting the Boy Scouts
- Melinda liked the fact that vendors could pick their spot this year instead of being assigned a spot
- Next year we need to have someone in charge of hanging our signs. None of our signs were put up for Harvest Festival. This caused some confusion for food, silent auction and raffle, etc.

- Can we have Harvest Festival on a Saturday? That would give us more time to set up and possibly have more volunteers.
- KOHL's will be sending us a \$500 check for utilizing the KOHL's Cares volunteers
- Volunteer Appreciation BBQ or other giveback
  - Need to check with Marcie to see if we can have it on campus
  - PTO giveback in December ("Spirit of Giving") by babysitting for a couple hours?

### **\*Wonderful Wednesday**
