PTO Meeting

Roll Call: Chad Shoffner, Frances Scales, Jenna Cocchi, Aimee Roha, Kim Toledo and Elisheva Mills

Meeting called to order at 3:15 pm and adjourned at 4:20 pm

- Treasurer's Report

Frances stated that our current balance is \$19,461.34. We have \$14,002.26 in budgeted expenditures for the year, which leaves us with \$5,460.08 in available funds.

We need to purchase new storage bins and tables. Frances proposed adding a line item to the budget for Entertainment (reuseable) of \$1,000. Chad motioned to approve and Jenna seconded.

- School Clean-up

District is moving the games from the stage to the district office for us.

We need to pack up Santa's Workshop. Scheduled Friday 1/13 at 2 to do that.

- Family Dinner

We are planning on 3/24 from 6-8 pm. We are still deciding on food - either a tri-tip or spaghetti dinner or crab feed. April from the district food services came to give us information about using the school kitchen. There is a maximum capacity in the multipurpose room of 309 but we may be able to fit more with round tables. If we use the school kitchen we need to pay someone to be there from food services for a minimum of 2 hours. We may be able to take advantage of the district's direct purchasing from Sysco and Gold Star foods. Volunteers in the kitchen do not have to be certified but April would prefer a Serv-safe certification for them.

- School Purchases

Poll teachers about what technology they need/want in their classrooms

- Croc Run

May 12th from 12-2:30. Jenna is going to check with Umpqua Bank to see if they will donate popsicles again.
