PTO Meeting

Roll Call: Aimee Roha, Michael Meier, Frances Scalise, Marcie Nichols, April Mackill, Elisheva Mills

Meeting called to order at 2:58 and adjourned at 4:10pm

- Treasurer's Report: Bank balance is \$12,309.15 but our budgeted expenses for the remainder of the year are \$14,844.87 so hopefully we'll have a successful Croc Run!
- Santa's Workshop: We had a profit of \$1,500, which we did not have last year so using Penguin Patch was successful. Aimee renewed our contract for this year with Penguin Patch because renewal by 1/31 gave us 5% cash back and 1,000 loyalty points. We have until 10/5/18 to opt out of our contract with them.
- Crab Feed: We decided to cancel the Crab Feed for this year and focus on the events we have already scheduled.
- Wonderful Wednesday: Christine Jaynes will be doing on 2/14, providing coffee and pastries.
- Croc Run: Scheduled for Friday, 3/9. Umpqua Bank is not available on that day with their truck and popsicles. April offered to get us pricing through Food Services for a healthy icy treat option. Instead of ordering plastic water bottles, we decided to order reusable aluminum water bottles through April for approximately \$1.25 each. We will only need to pay her for the bottles we use - there is no commitment to order a certain number. Marcie mentioned doing a collective goal and having prizes as the school reaches different levels of our goal. \$1000 - Crazy hat/hair day, \$2500 Pajama Day, \$5000 Extra Recess, \$7500 Dance Party, \$10,000 Inflatable slide for each class. The pre-Croc Run assembly is scheduled for Friday afternoon 2/16 and Catie will be in charge. We will probably have the top earner for each grade level have lunch or popcorn with Marcie.
- Fundraisers: We can only have four food-based fundraisers each school year according to April. That would include candy-grams.
- Open House: Tuesday, April 10. We will serve ice cream cups and plan on serving 550. Fifth grade will not be here that week since they will be at Shady Creek.
